

## **CHURCH MEMBER TUITION DISCOUNT POLICY**

Currently the privileges of active membership in Good Shepherd Lutheran Church include a special school discount tuition rate and a priority enrollment/re-enrollment opportunity. To receive and maintain these privileges, the following is required:

- Exclusive membership by at least one parent in Good Shepherd Lutheran Church.
- Attendance at worship services on a regular basis--at least half the Sundays of the calendar year as shown by the offering envelopes given at each service--and faithful participation in Holy Communion. The amount of giving is not a factor and will not be known to the school administration or board.
- Families who do not meet the attendance requirement to remain active will lose the priority registration and tuition discount that they would otherwise be eligible for, for a period of one year. Their status will again be evaluated the following year and benefits reinstated if the requirements have been met.

This privilege will be reviewed annually for each of the families prior to enrollment/re-enrollment in January. A form for this purpose will be mailed in November or December to member families who are enrolled or who express interest in enrollment. New member families will be eligible for these privileges for the school year following their reception into membership.
